

NOTICE OF ROAD CONSTRUCTION

I-215, Airport Connector Phase 2

Clark County Department of Public Works (CCPW) is reaching out to inform you of upcoming construction activity on I-215 and the Airport Connector corridor. In addition to the current traffic control setups, the following lane restriction and ramp closure will be in effect starting Tuesday, September 8, 2015 for the next 12 months:

- One lane restricted exiting the southbound Airport Connector tunnel. Two travel lanes will be open at all times.
- On-ramp from Sunset Road (at Grier Road) to southbound Airport Connector/I-215 Beltway will be closed for the next 12 months. Detours will be in place to direct traffic to Las Vegas Boulevard for I-215 access to travel west or east.

Local traffic is encouraged to use alternate routes whenever possible.

We thank you in advance for your cooperation. If you have any questions regarding the project, please contact us at (702) 455-6000 or via email to InTheWorks@ClarkCountyNV.gov.

For immediate construction concerns:

Joshua Mendenhall, Project Manager

Office: 702-251-5800

This project is funded in part through Fuel Revenue Indexing, which takes a portion of what motorists pay at the pump to support critical transportation projects. For the average motorist, the cost is about a dime a day to generate up to \$700 million to fund 215 projects and create more than 9,000 jobs.
